DATE OF
INFO.

SUPPLEMENT TO
REPORT NO.

1. The CHIMIMPORT organization in Bulgaria, Stefan Karadja 2, Sofia, has sent a request to the Danish Veterinary Directorate in Copenhagen, for the purchase of the following vaccines and serums:
 - a. 250 litres anti-cholera vaccine
 - b. 200 litres anti-cholera bacteriophage
 - c. 200 litres plague serum
 - d. 10 litres plague vaccine
 - e. 6 litres typhus vaccine
 - f. 50 litres botulism serum.
2. The request was passed to the Serum Institute which was unable to furnish these items. CHIMIMPORT was accordingly informed that the material would not be supplied.
3. It is the opinion of the Serum Institute authorities that the materials listed above are suitable for use "as immunization media for a military purpose", and would be adequate to immunize 50,000 to 60,000 persons.
4. [REDACTED] the Serum Institute would reject the order even if capable of executing it.
